THE PHILOSOPHY OF DEATH. BY THE REV. ROBERT R. RODGERS.

"Thou art he that will not flatter prince-That stoops not to authority, nor gives A specious name to tyranny.

And as Raleigh said, 'Oh! eloquent, just work of restoration was co-equal and coand mighty death! What none have dared. thou hast done; and whom all the world "as in Adam all die, so in Christ shall all be together all the far-fetched greatness, all the cruelty and ambition of man, and covered that Adam brought in, Christ will thrust essly Republican. Says the Denver Republit all over with these two words, Hie jacet." out." As, however, the Lord does not pro-But though death is inevitable, still to pose to abolish natural death, we must condwell upon it with morbid wistfulness is clude that natural death was not a penal most hurtful to our whole nature, mental, calamity resulting from human disobedi-moral and spiritual. The story goes that ence. In confirmation of this conclusion, The fate of little Charlie McComes, who Why should not priests lodged and fed com- provided in every locality, to discover that Vt., one of the principals of the firm that ister to this empire for seven days; at the stratum of the earth is rich in organic reinvented and patented the celebrated Fair- end of that time I shall put thee to death.' mains. Not only have individuals and banks scales, is now over ninty years old. At the end of the seventh day the king inquired, From what cause hast thou become have become extinct. Reptiles surpassing so emaciated?' To which he answered, in size all the progeny of our times were monarch replied, 'Live, my child, and be period when not one of them was in the wise. Thou hast ceased to take recreation, world; then the time came when there Ed. C. Ellet, of Eldorado, has been ap-pointed by the interior department to re-put to death. These priests in the temple when the whole race had become extinct. they enter into healthful diversions?" Of the whole animal creation, of the individuper's Ferry, belongs to H. S. Fairall, of the question of our deserving." Anxious and merely a crisis in the growth and develbrooding over death is enervating, depress. opment of his children. As Mrs. Hemans ing and demoralizing. Death after all is says:

A dispatch from St. Petersburg says that the coronation of the Czar will probably be postponed. The police believe, unless liberal reforms are granted, the Nihillsts pily most of us would rather bear those lils bave occurred without disease, and it might have come seasonably as the golden grain liberal reforms are granted, the Nihillsts pily most of us would rather bear those lils have come seasonably as the golden grain liberal reforms are granted, the Nihillsts pily most of us would rather bear those lils have come seasonably as the golden grain liberal reforms are granted, the Nihillsts pily most of us would rather bear those lils have come seasonably as the golden grain lines of this continent as well as the cables which reach out to other nations.

the efforts of nature to rotain her vitality.

Return deals goatly with us, and is our last man is propared for wider heardsome and man is propared for wider heardsome.

This far death is a subject on which the clump or with the clump o

"When a man sang out from a bulkhead shed, il "Come, and have your New Tear's ashore! And he gate me to drink what turned my head, and I never knowed nothin' more! "Till they said was tryin' myself to drown; But I wasn't allowed my like."

But I wasn't allowed my like."

But I wasn't allowed my like."

"My poor little Marline-spike."

To be allowed death is therefore regarded with a sense of shame and guilt. We have come to think that mortality to of the soul Is that which determines the final condition of every human being. Our supreme love or delight of life is the arbiter of everything, and if in death we do not realize a beavenly birth, and in the society of missing beliefs with a denial or a sneer neishes allowed my like."

"My poor little Marline-spike."

"One dollar and I furnish all me own were a little girl she had kineed you when no one cise was tempted by your fever tainted breath and swollen face. Tou were not as structive then as you are now. And in the society of allowed my like."

"We have come to think that mortality to of the soul Is that which determines the final condition of every human being. Our supreme love or delight of life is the arbiter of everything, and if in death we do not realize a beavenly birth, and in the society of alize a beavenly birth, and in the society of alize a beavenly birth, and in the society of alize a beavenly birth, and in the society of a little dirty, chubby hands whosever they were injured in those first shirmshee with this rough old world. And then the mid-ties of the soul Is that which determines the final condition of every human being. Our substituted in the arbiter of everything, and if in death we do not realize a beavenly birth, and in the society of alize a beavenly birth, and in the society of alize a beavenly birth, and in the society of alize a beavenly birth, and in the society of a little dirty always and it furnish all used in the coll is that which determines the final condition of every human being. Our said condition of every human being.

"We we of necessity regard it with disfavor, and said of it:

we speak of it in terms corresponding to our wishes. We accordingly dread death And as little Marline-spike steered his way as a physical evil, because it is too often the consummation of disease, and the final result of prolonged suffering. In other cases the order of nature is reversed by it, and "parents are called up to bury their chil dren, instead of the children the parents; Came murmuring up from the dusty floor, as Burke says, "putting posterity in the place of ancestors." And speaking of it what the Great Commoner Thought of the from the estimate of offended natural affections. tion, it is matter of no surprise that we regard death as a divine scourge, and an ele-

was counted the other day, and was short only a single nickel.

The Richmond, Va., State claims that there is only one Democratic paper, of any influence, in the South which has declared for high protection. The paper is published at Nashville, Tenn.

The object of religion is to teach us how to teach us how to live wisely and happily, how to bear our crosses, how to resist temptation, how to twenty years, and therefore the full period of man's growth is just twenty years, and therefore the full period of man's growth is just twenty years, and therefore the full period of man's growth is just twenty years, and therefore the full period of man's growth is just twenty years, and therefore the full period of man's growth is just twenty years, and therefore the full period of man's growth is just twenty years, and therefore the full period of man's growth is just twenty years, and therefore the full period of man's growth is just twenty years, and therefore the full period of man's growth is just twenty years, and therefore the full period of man's growth is just twenty years, and therefore the full period of man's growth is just twenty years, and therefore the full period of man's growth is just twenty years, and therefore the full period of man's growth is just twenty years, and there I saw terant running the vessel, and there I saw terant running the vessel, in the case, and there I saw terant running the vessel, and there I saw terant running the vessel, in the twest of the dwarf held up a fragrant white lily.

The period of man's growth is just twenty years, and there I saw terant running the vessel, and there I saw terant running the vessel, in the case, in the what death would have differed from what do follow us;" and in the yonder-land, the we find it at the present time, had not evil delight of our life remains unchanged, and leads us on and ever on in the "works" of love that formed our ideal and won our aspiration here. Too many are apt to regard plintion here. Too many are apt to regard death as an excape from everything needing.

What death would have differed from what we find it at the present time, had not evil stanton. That the commission finally fail-been introduced, we can at most only approximately guess. It is, however, quite stephens. "I credit entirely to Mr. Stanton. That the commission finally fail-been introduced, we can at most only approximately guess. It is, however, quite stephens. "I credit entirely to Mr. Stanton. That the commission finally fail-been introduced, we can at most only approximately guess. It is, however, quite evident that death would have differed from what we find it at the present time, had not evil stanton. That the commission finally fail-been introduced, we can at most only approximately guess. It is, however, quite stephens. "I credit entirely to Mr. Stanton. That the commission finally fail-been introduced, we can at most only approximately guess. It is, however, quite stephens. "I credit entirely to Mr. Stanton. That the commission finally fail-been introduced, we can at most only approximately guess. It is, however, quite stephens. "I credit entirely to Mr. Stanton. That the commission finally fail-been introduced, we can at most only approximately guess. It is, bowever, quite stephens. "I credit entirely to Mr. Stanton. That the commission finally fail-been introduced, and been introduced, and been introduced, we find its mission," and Mr. been introduced, we can at most only approximately guess. It is, been all in all, the most unreasonable and the provided that the provided time. The words of the weel fail in all, the most unreasonable and the provided time. The word of the weel fail is a second time and the provi eath as an escape from everything needing each man's life. Even if man had not sinself-command, the spirit of the hero, or the ned, death would have been a fact as much beat, the blood to circulate, the lungs to breathe, the nerves to convey sensation, the brain to draw sustenance from food, and brain to draw sustenance from food, and

strations, yet it matter apiritual they have. comes for our death, when for our future and can have, nothing to communicate. But we no sooner quit the physical facts on which mortality rests, then we instantly experience the sense of insecurity. Morality is a fact beyond dispute; we all to some extent mourn by reason of it, for "nothing dies but something mourns;" we all have wondered over and questioned its advent, and have guessed at its primary cause, its mission and its result. The issue of our guessing and questioning have been strangely different. Death as men have made it, is sad in the extreme, its cause is or as the seed sown must die, in order to

divine love, then our highest wisdom is to conside in the love that we do not understand; and if we live, live thankfully, and if we die, still add our testimony to the infinite goodness.

It is constantly asserted by theologians that death is the result of the fall, that it is assentially evil, that it is a part of the disconnection of the disconne the earth. The cause of death is therefore power or faculty is destroyed. As to the her a kiss or two. Away back when you
